RE: F-2 Sand Reservoir A  
LAKE ENFERMER FIELD  
Lafourche Parish, Louisiana

Dear Sir:

Application is hereby made on behalf of Ascent Energy Inc. to the Commissioner of Conservation for the calling of a public hearing, after legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the F-2 Sand Reservoir A in the Lake Enfermer Field, Lafourche Parish, Louisiana.

1. To create a single drilling and production unit for the exploration for and the production of oil and gas from the F-2 Sand, Reservoir A such unit being shown on the attached plat and being designated F-2 RA SUA.
2. To force pool and integrate all separately owned tracts, mineral leases and other property interests within the units so created, with each tract sharing in unit production on a surface acreage basis of participation.
3. To designate a unit operator and a unit well for the unit so created.
4. To provide that any future wells drilled to each of the above referenced unit should be located in accordance with the spacing provisions of Statewide Order No. 29-E.
5. To discuss any other matters that may be pertinent to this application.

The F-2 Sand, in the Lake Enfermer Field, Lafourche Parish, Louisiana is hereby defined as that oil and gas bearing sand encountered between the depths of 10641' and 10710' in the Ascent (Forman) – Lafourche Realty No. 9-D well located in Section 8, Township 20 South, Range 23 East, Lafourche Parish, Louisiana.

All pertinent data pertaining to the subject application can be PURCHASED from Cambe Geological Services, (504) 779-7367, 3337 N. Hullen St., Suite 200, Metairie, Louisiana 70002 and Chip LeBlanc of LEBLANC GEOLOGICAL INC., (504) 828-8700, 3500 N. Causeway Blvd., Suite 405, Metairie, La. 70002. The conference to discuss the proposed application will not be held as no request was received.

In addition to furnishing the legal notice to all Interested Parties, the applicant will provide for POSTING of the legal notice of the hearing and the unit plat in a prominent place in the area of Lake Enfermer Field, Lafourche Parish, Louisiana. Also, the legal notice will be PUBLISHED in a newspaper of general circulation in the vicinity of the Lake Enfermer Field, Lafourche Parish, Louisiana, at least fifteen (15) days prior to the hearing date.

There is attached hereto and made a part hereof plat outlining the proposed unit and a list of the names and addresses of the Interested Parties, Interested Owners and Represented Parties to whom this notice is being sent. Pursuant to the Revised Rules of Procedure, such list of Parties and plat is being furnished ONLY to the Commissioner of Conservation and to the District Manager of the Lafayette District Office of Conservation. However, the list is available upon request to any Interested Party requesting a copy. A diligent effort was made to ascertain the names and addresses of all such Parties as required by the Revised Rules of Procedure.

Finally, enclosed herewith is our check on behalf of the applicant, Ascent Energy, Inc., in the amount of \$755.00 made payable to the Office of Conservation and representing the required hearing application fee.

Very truly yours,  
LeBLANC GEOLOGICAL, INC.

Chip LeBlanc
